

Supply List 2010-2011 as of 6/9/10

Some supplies are needed by all students everyday. **Pencils, paper, and black or blue pens** are a must. Remember that having **pencils, paper, and pens** in August does not mean that students will still have supplies in March. Remember to check your reserves periodically. We also request that students bring **1 ream of paper any color with them to registration.**
